Patent No: n/a **Attorney Docket No:** BP1817CON
Patent Issue Date: n/a
Title: Current-controlled CMOS wideband data amplifier circuits

Date: 04/20/2006

Mail Stop AF (or AMENDMENT)
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

In response to a non-final office action mailed on 01/20/2006 (Part of Paper No./Mail Date 10) regarding the above-identified U.S. utility patent application, the Applicant respectfully submits the following amendment and response being filed within 3 months of the mailing of the office action.

As the Applicant describes in more detail below, there is inconsistency within the office action as to whether the office action is non-final or final. The Applicant assumes the action is non-final, and respectfully requests immediate correction from the Examiner if this assumption is incorrect. To ensure that the Examiner gets the response to the office action expeditiously in any event, the Applicant mails this response to "Mail Stop AF".

DOCKET NUMBER AMENDMENT

The Applicant has noticed that the earlier requested amendment to the attorney docket number has apparently not yet been entered.

Please change the **Attorney Docket No.** of the above referenced U.S. utility patent application from ~~BP1817CON1~~ to BP1817CON.

In short, please remove the "1" at the end of the attorney docket number.

POWER OF ATTORNEY

The Applicant is also submitting a new "power of attorney" herewith that appoints practitioners associated with USPTO CN 51472 and also indicates the new correspondence address (USPTO CN 51472).
